Professional Positions:

I have worked in education for more than 30 years, beginning my career as a science and math teacher before becoming a full-time educational technology professional. In my work, I have developed the capacity to create engaging technology-rich activities for all learners in all subject areas.

July 2021- present Director, Teaching and Learning Innovation
February 2019-June 2021 Coordinator of Instructional Technology
Greenfield Community College, Greenfield, MA

- Manage Moodle for approximately 2000 users
- Consult with faculty in all areas to use classroom and online technologies
- Lead initiative to improve course quality and accessibility

July 2020-June 2021 Learning Design Consultant (part-time, temporary)
Castleton University, Castleton, VT

- Support online teaching and course design in Canvas
- Prepare and publish instructional media

July 2018-January 2019 Educational Consultant
Independent Contractor, Rutland, VT

- Developed educational resources in STEM fields
- Edited educational manuscripts

July 2017-June 2018 Flexible Pathways Coordinator
Windsor School, Windsor, VT

- Supported internships, early college courses, independent studies, community-based education, and similar activities for high school students

May 2015-August 2017 Educational Technology Specialist (part-time, temporary)
Mount Wachusett Community College, Devens, MA

- Supported online teaching and learning in advanced manufacturing programs
- Ensured course materials compiled with ADA requirements
- Collaborated with IT staff to plan custom installations
- Managed network and desktop devices for specialized training purposes and devices

July 2014-June 2017 Digital Project Leader (80%)
Rivendell Academy, Orford, NH

- Supported technology-rich teaching and learning, especially critical explorations
- Deployed and managed LMS and electronic portfolio platforms
- Developed tools to manage online curriculum
- Expanded multimedia projects throughout the school

September 2013-June 2014 Technology Integration Specialist & Coordinator
Rutland Southwest Supervisory Union, Poultney, VT

- Mentored K-12 faculty in technology-rich teaching and learning
- Provided support and system administration for Windows, Macintosh, and iOS
- Collaborated with administrators on planning, budget, and similar decisions
- Managed transition from Exchange to Gmail and replacement of servers

July 2012-August 2013 Director of the Center for Teaching and Learning
Mount Wachusett Community College, Gardner, MA

- Managed Blackboard for approximately 5000 users
- Mentored community college faculty in technology-rich teaching and learning

- Co-chaired multiple committees related to academic technology and professional development

December 2003-June 2012 Technology Teacher/ Coordinator/ Integration Specialist
West Rutland School, West Rutland, VT

August 2003-November 2003 Technology Coordinator
Bennington-Rutland Supervisory Union, Manchester Center, VT

September 2002-June 2003 Math Teacher
The Dorset School, Dorset, VT

September 1994-June 2002 Math/ Computer Teacher
Rutland Middle School, Rutland, VT

September 1992-June 1994 Science Teacher
Mill River Union High School, North Clarendon, VT

September 1988-June 1992 Science Teacher
Lamoille Union High School, Hyde Park, VT

Higher Education Teaching:

For more than 20 years, I have served as an adjunct instructor for both graduate courses and undergraduate students; much of this teaching has been in online environments. A sample of my teaching is provided here.
